B	Status and Plan of Action for Core Activities		
1	Ceiling on Desires: "Waste not , Want not" is the mantra given by our beloved Swami is the foundation of the concept of "Ceiling on Desires." Every Samithi has been following in an unique manner. Personal Finance workshop on Bachat, Upavasa Sadhana where devotees are encouraged to practice maun vrat, less use of gadgets etc. Bring awareness through posters and Balvikas. Some of the Samithis had camps. COD exhibition conducted in a befitting manner by Mumbai Zone 3 Balvikas Gurus & Children. More than 4000 children, parents & gurus benefitted.		

	Rudramayam: 2 Currently, 464 devotees are actively learning Rudram through regular sessions. Frequent auditions and reviews are conducted to assess their progress and ensure consistency.
3	Bal Vikas Group - III: It has been observed that the number of students tends to drop in Group III. To address this: - Early engagement with Group II parents to emphasize the value of continuing to Group III. - Train Gurus who can connect with teenagers and motivate them to stay committed.
4	Bal Vikas Expansion: Efforts are underway to expand residential Bal Vikas classes in areas with potential. The strategy includes: - Promotional materials like flyers and posters - Open Days/Demo Sessions to introduce the curriculum and address parents' questions.
5	Sevadal Training: Seva dal training will be done at Samithi/district level on a regular basis from now on.
6	Grama Seva: Village-based seva activities are progressing effectively across adopted villages. The focus remains on deepening impact and improving execution in the coming months.
7	Narayana Seva: The initiative "Ek Mutthi Dhaan, Pet Bhar Khaana" has seen enthusiastic participation—even from non-devotees. This noble activity has also been successfully launched in an adopted village, expanding its spiritual and social reach.
8	Prema Tharu: A total of 8,687 trees were planted this year—slightly fewer than last year. Renewed efforts are being made to surpass the previous numbers in the coming planting season.
9	Medical Care: Living by the ideal "Manav Seva is Madhav Seva," our medical initiatives include two permanent Medical Centres, Blood Donation Camps, and Mobile Medical Vans—fully equipped and manned by professional doctors, supported by Seva Dals. These vans visit fixed centres, orphanages, destitute homes, and old age homes as per a structured schedule.

SPIRITUAL

• Ashadi Ekadashi Dindi Yatra

This year's Dindi Yatra mirrored the sacred Warkari pilgrimage to Pandharpur, as over 2700 Sai Warkaris walked 50 km from Dharmavaram to Prasanthi Nilayam seeking Sai Vitthala's darshan. After a three-day journey, they were welcomed by Sri RJ Rathnakar, Sri Nimish Pandya, and senior members of the Sri Sathya Sai Central Trust and SSSSO. Their devotional journey, marked by bhajans and chants, culminated on Ashadhi Ekadashi (17th July) at Sai Kulwant Hall, with Palkis carrying Swami's Paduka and idols of Mauli Vithoba and Rakhumayi. Soulful Abhangs like "Mazhe Maher Pandhari" and "Hari Mhana" filled the air, followed by a vibrant Dindi dance by Maharashtra West 1 Balvikas students, adding joy to the divine celebration.

• Navaratri Celebrations

With Bhagawan Sri Sathya Sai Baba's grace, Dharmakshetra's Navratri celebrations were filled with devotion and spiritual fervor, honoring Divine Mother Durga in her many forms.

Each morning featured sacred Homams like Ganapati, Maha Mrityunjaya, Sri Suktam, and Chandi Homam, followed by bhajans and Mahaprasad. Evenings saw MHW1 Samithis lead Haldi Kumkum, Laksharchana with Devi Stuti, Vedam, and Bhajans.

Rice from Laksharchana was offered for Nithya Narayan Seva, reflecting Swami's message of service. The entire celebration was a deeply spiritual and blissful experience.

EDUCATION

• Mera Bharat Mahan

Sai Young Messengers of Maharashtra West 1 conducted an inter-collegiate competition under the Youth Awareness Program (YAP) titled "Mera Bharat Mahan" on the 78th Independence Day.

Over three months, student teams worked on nation-building projects guided by YAP Coordinators and senior mentors. 81 students from 9 colleges participated, judged on both their service and final presentation. The Grand Finale took place on 8th December at Dr. Antonio Da Silva Auditorium.

• Ceiling On Desires

Empowering Youth, Limitless Potential

As part of Bhagawan's centenary celebrations, SSSSO Mumbai District 3 (MH-W1) Bal Vikas Gurus and children hosted a powerful Ceiling on Desires Exhibition at Dharmakshetra on 11–12 January 2025.

Through games and puppet shows, children learned to value the five elements and wisely use food, energy, time, and money. The exhibition was a meaningful step towards personal growth and positive change.

• Trikarna Shuddhi

District Thane 1 hosted a Value Carnival on "Trikarna Shuddhi" on 2nd Feb in Thane and Dharmakshetra, highlighting the unity of thought, word, and deed through engaging games, skits, activities, and a puppet show by Balvikas children. An offering by the Thane 1 Balvikas team for Swami's Centenary Celebrations, the event saw enthusiastic participation from schools and Samithis, with heartfelt gratitude to Swami for the opportunity.

SERVICE

• Midday Meal Program

Established in 1970 at Dharmakshetra, Sri Sathya Sai Vidya Mandir offers education from Kindergarten to Class X to over 800 children, blending academics with holistic development under Maharashtra Government affiliation.

A midday meal scheme provides nutritious lunches to 770 children for 230 days a year, promoting their health and well-being.

- **Supporting Hearing-Impaired Children with Love and Seva**

For nearly 20 years, the Sri Sathya Sai Seva Organisation has supported differently abled students of Rochiram Thadani High School for the Hearing Handicapped. Under the Sri Sathya Sai Scholarship Programme, annual fees are funded for over 108 children across 10+ schools in Chembur.

Last year, hearing aids were distributed, and repairs for 23 cochlear implants were facilitated. The newly launched Sai Poshak Ahar breakfast seva ensures daily nutritious meals for these students. Despite difficult circumstances, many of these children continue to excel in academics and sports, with some even representing India internationally.

With hearts full of gratitude, we, the devotees of Maharashtra West 1, offer our humble pranams at the Divine Lotus Feet of our beloved Bhagawan. We thank You, dearest Swami, for Your infinite grace, blessings, and the countless opportunities to serve. As we rejoice in the rare fortune of celebrating Your Birth Centenary, we pray that You continue to guide us, guard us, and live through us. May every step we take be in alignment with Your divine will.

Karishye Vachanam Tava — Swami, we shall do as You command.

Status and Plan of Action for Core Activities

1	Ceiling on Desires : Two motivational programs have been conducted so far. We aim to conduct a few more this year and inspire as many participants as possible.
2	Rudramayam : Devotees attending Rudramayam classes continue to improve their chanting and are also participating in group chantings held at various locations as part of the Centenary celebrations. Monthly mass chanting sessions at devotees' homes will also be undertaken.
3	Balvikas Group III : It has been observed that the number of students drops in Group III. To address this, we plan the following for the coming year: - Stay in touch with parents of Group II students well in advance and explain the importance of continuing into Group III. - Train Gurus who can connect with teenagers and inspire them. - Motivate both children and parents to participate in service activities.
4	Bal Vikas Expansion : We aim to expand residential classes to new areas where there is potential and engage at least one more school for Bal Vikas. - Spread awareness through flyers and posters. - Conduct "Open Day" or demo sessions with sample classes and Q&A for parents.
5	Sevadal Training : Train all individuals who have not yet undergone formal training but are already engaged in Parthi Seva. Motivate all newcomers to attend training before participating in Prashanti Seva.

6	Grama Seva : Balvikas, Mother & Childcare, and Medical initiatives are being conducted regularly. A village-wide survey is underway to understand the preferred vocational trades—such as computers, carpentry, or electrical work. Further action will be taken once the feedback is complete.
7	Narayana Seva : Monthly Narayana Seva is being carried out by devotees. Devotees are also being motivated to undertake individual Narayana Seva more often. In one village, Narayana Seva is being conducted for Adivasis by preparing khichdi on an improvised chulha, serving 100–130 Narayanas.
8	Prema Tharu : More tree plantations are planned this year. Children will be educated on the importance of planting and protecting trees.
9	Medical Care : We plan to identify more areas, especially in slums, where medical assistance can be extended and special camps can be organized. In one Samithi of the district, yoga treatment has been initiated for selected patients. After diagnosis and medication by a doctor, simple yogic exercises are being taught as part of the healing process.
10	Skill Development : In one of our Samithis, the program was earlier halted due to severe challenges with the local Adivasi community. These issues have now been resolved, and the program is scheduled to restart next month.

Status and Plan of Action for Core Activities

1	Ceiling on Desires : - Villages in Shahpur faced severe water scarcity due to dried-up wells. Devotees were encouraged to practice Ceiling on Desires, save money consciously, and contribute towards providing water tankers—rather than merely donating.

4	Balvikas Expansion : - Mulund Samithi plans to start additional Bal Vikas classes by motivating youth to take the initiative. By Swami's grace, two new classes were started—one in a residential building and another at Hema Park slum, conducted every Sunday before lunch Narayana Seva (benefiting 50 children).
5	Sevadal Training : Training will be organized at the Samithi level.
6	Grama Seva : Regular village visits are conducted for Grama Seva activities including Bhajans, Seva initiatives, Medical Camps, and distribution of Amrut Kalash, blankets, clothes, and provision of water tankers.
7	Narayana Seva : In the District, there are 376 families involved in Nitya Narayana Seva with over Rs. 1.17 lacs beneficiaries during the year.

7	Narayana Seva : In the District, there are 376 families involved in Nitya Narayana Seva with over Rs. 1.17 lacs beneficiaries during the year.
8	Prema Tharu : An assessment will be conducted to evaluate the care of saplings planted earlier under the Prema Tharu initiative. Based on the results, villagers will be provided with 3–4 saplings per family—especially fruit- and flower-bearing varieties—to encourage both care and utility.
9	Medical Care : Regular medical services are being offered through a Mobile Medical Van and static Medical Centres across the District.
10	Skill Development : - A total of 38 students from Mulund College of Commerce (under the YAP program) participated in two Grama Sevas in three newly adopted villages—Tepewadi, Dandewadi, and Nimbarwadi—annexed to the Burujwadi conglomerate. They conducted a comprehensive baseline survey (covering 120 households) and followed it up with career and educational counselling sessions.

PRAYER OF SURRENDER

Oh Lord! Take my love and let it flow in fullness or devotion to Thee.

Oh Lord! Take my hands and let them work incessantly for Thee.

Oh Lord! Take my soul and let it be merged in one with Thee.

Oh Lord! Take my mind and thoughts, and let them be in tune with Thee.

Oh Lord! Take my everything and let me be an instrument to work.

Karishye Vachanam Tava

You must see, hear, study, observe, experience, and reflect; then only can you understand Me. You will learn that I am love (prema) itself; that I give only one thing, bliss (ananda), through the love. My task is to distribute solace, courage, and peace. That is to say, My attributes are ancient and authentic; only the manifested form is new.
